House Appropriations Request FY 2010

Project Name: WakeMed Children's Hospital
Recipient: Wake Med Health and Hospitals
Recipient Address: 3000 New Bern Ave

Recipient City: Raleigh
Recipient State: NC
Recipient Zip: 27610

Amount of Request: \$1 million

Explanation of the request (must include purpose and why it is a valuable use of taxpayer funds): WakeMed is building a 45-bed Children's Hospital that will increase access to top quality medical care for the region's children and improve patients' health outcomes. They are constructing a 41045 square foot facility that will consolidate many of its pediatric services in one location, increase the number of children that can be cared for, and improve the quality of care. These new beds are needed as Wake County is projected to have the largest population under 18, in the state, by 2014.

In order to offer more opportunity for public scrutiny, I have posted information on each project request submitted to the Appropriations Committee at the time the request was made.
